* Terms and conditions for this promotion: This promotion is open to customers in France who place an order for standard gene synthesis. For non-standard sequences mark-up fees might apply. Discounted minimum order fee of €125 or equivalent local currency value will apply. Offer will apply to qualifying orders received no later than 31st December 2017. Discount applies to list price in effect at the time order is received. Cannot be combined with other discounts or promotions. Offer void where prohibited, licensed, or restricted by federal, state, provincial, or local laws or regulation or agency/institutional policy. Other restrictions may apply.
