Re: Discontinuation of TrueScience® Respifinder Kits Product Line

Dear Valued Customer:

After careful consideration, Life Technologies has recently decided to discontinue the sale of the TrueScience® Respifinder Kits product line. We will stop selling the following reagents after December 31, 2013:

Part # 4460381	RESPIFINDER 15 DETECTION KIT
Part # 4460382	RESPIFINDER 19 DETECTION KIT

This product line was manufactured by our partner, PathoFinder, located in Maastricht, Netherlands. A comparable product which will be available from PathoFinder is:

Part # PF0500-M	RespiFinder 22
-----------------	----------------

You can get more information about PathoFinder and their product offering by visiting their website: [www.pathofinder.com](http://www.pathofinder.com).

If you have any questions or concerns, please contact customer support or your sales representative.

We appreciate your understanding and continued support.

Sincerely,

A handwritten signature in black ink, appearing to read "V. Bansal", written over a horizontal line.
